Structure Chart

Aluminum Alloy Girder - 15cm Height	Double Ricoh Gen5 Printheads	Pinch Roller	Japanese NSK Bearings
3.2m Printing Width			
German Igus Drag Chain			

Integrated Framework Machine Body
THK 20mm Thickness Low Noise Guide Rail
Bearing Beam - 6mm Thicker, 200*150mm Square Steel
19 Pieces Steel Girder Bearing Support Aluminum Alloy Carriage Girder

Three Media Feeding System Optional
Italy Megadyne Belt
Dual Sliders

Product Details

- Auto Error Notification Function
- Two LED UV Lamps
- Bulk Ink Supply System
- Compositive Operation Panel
- Media Sensor Testing All Time
- USB 3.0 Interface
- Air Cooling System
- Cerman 'Igu' Cable Between Mainboard and Head Board
- Parameters Setting Saved Function
- Variable Droplet Technology
- Printhead Anti Collision System
- Dual Media Feeding & Take Up System
- Front Corrugated Media Deflector
- Support Two Rolls Printing

Charismatic Leader Temperament

Product Applications

- PU Wall Paper
- Leather Abat Vent
- Decorarion Wall Paper Soft Film
- Art Wall Paper Customized Blind

Information Overview

PRODUCT FEATURES:
 1)Item Model: **MT-UV3202DR**
 2)Machine Body Material: **Aluminum Alloy and Stainless Steel**
 3)Printhead: **Ricoh Gen5**
 4)Resolution: **1200dpi X 1200dpi**
 5)Size of Ink Droplet: **7-21PI**
 6)RIP Software: **Maintop, Photoprint, Wasatch**

PACKAGING DETAILS:
 1) Package Dimensions: **L4800 * W1100 * H1700 mm**
 2) Quantity/Package: **1 Set**
 3) 20GP/40GP: **2/4 Sets**
 4) Gross Weight: **830Kg**

CERTIFICATES: CE, TUV, SGS, ISO9001

LOGISTICS ABILITY:
 MT Industry Arranges the Mixed Logistical for delivery as By Sea, By Air and By Truck or Train, Over **10 Years' Experience** for Logistical Arrange.

MANUFACTORY SCALE: The Total Manufactory Area: **30,000 square meters** (322,916 square feet)
 Production Staff: **158 to 168** QC Staff: **5 to 8** R & D: **10 to 15**

DELIVERY TIME:
 1) Material Preparation Time: **Instock Any Time**
 2) Spare Parts Preparation Time: **Instock Any Time**
 3) Metal Processing Time: **5 days**
 4) Assembly & Testing & Packaging Time: **2 days**
 5) Total Delivery Time: **7 days for 1 set** for safe delivery lead time
 The Faster Delivery Could be Negotiable Sometimes!

USAGE/OCCASION:
 Sign Industry, Advertising Industry, Advertising Agency, Advertisement Company, Outdoor Digital Inkjet Printing, Indoor Digital Inkjet Printing.

Product Specifications

Mode Type	MT-UV3202DR Roll To Roll LED UV Printer
Print Head	Two Ricoh Gen5 Drop-On-Demand Micro-Picco Print Heads
Number of Nozzles	2560 Nozzles (2 Heads)
Color	4 Colors, Double 4 Colors, 5 Colors
Resolution	1200dpi X 1200dpi
Height Of Print Head	2-5mm
Size Of Ink Droplet	7-27 PI
Max. Print Width	3200mm
Max. Media Width	3300mm (Max)
Media Feeder	Yes
Media Take-Up	Yes
Max Weight	200kg
Media	Wallpaper, Soft Film, Wall Art, Sign Advertising, Paper, Poster, Promotion Products, Leather, PU, PMMA, PVC, PP, PE, PTFE, Ceiling, Home & Office Decoration, Oil Painting, Fresco, Wedding Photography, Mark And Signs, Exhibition, Flag, Banner, Knife Coated Substrate, Double Side Printing, Banner, Advertising Cloth, Adhesive Vinyl, One Way Vision, Mesh, Reflective Banner, Reflective Vinyl, Etc.....

Ink	LED UV Curing Ink
Ink Tank Account	4 * 2.5 Liter Bulk Continuous Ink Supply System
Negative Pressure System	Vacuum Ink Supply Flange Ink Flow Without Missing Nozzle
Picture Drying System	Two LED Curing Lamps, LED Water Cooling
Interface	High Speed USB, Transmission USB2.0/3.0
Power	Power Voltage AC220V-240V/50-60HZ Or AC110V-120V/50-60HZ Optional
Control Software	Print Console
RIP Software	Maintop (Photoprint, Wanchou Optional)
Operation System	MS Windows XP & Windows 7
Printing Environment	Temperature: Temperature 15-35Degrees, Humidity 30-65 RH
Picture Type	JPG PSD TIF
Printer Dimension	W4800*P1100 * H1700mm
Packing Dimension	W4800*P1100 * H1700mm
Net Weight	750kg
Gross Weight	950kg

Refretonic MANUFACTORY

Manufactory Scale

Located in: Shanghai
 Manufactory Area: 30,000 square meters (322,916 square feet)
 Employees: 166
 Capacity: 3,000 - 5,000 Sets
 Audit by: BSCI

Production Line

Workman: 115
 Working Group: 10
 Assembling Line: 4
 Packing Line: 2

Testing & QC

Engineers: 23
 Electronic Components Testing
 Electronic Boards Testing
 Driver Control System Testing
 Ink Supply System Testing
 Printing Testing
 Material Feeding Testing
 Material Take Up Testing

Pack

Packing Style: Plywood Case Package, Carton Pallet for Printer.

 Warehouse Save You Delivery Time!

Certificates

For Ever Digital Inkjet Printer Model Exported, We Have Certificates of CE, SGS, TUV, BV, SON, etc. Here Are Some Samples for You as Above.

EXHIBITION

We Have Just have been to the Fespa Exhibition in Shanghai, China. With Our Eco Solvent Printer, Solvent Printer, UV Printer and Digital Textile Printer, We Have Won a Great Success and Receive Lots of Compliment From the Clients All Over the World! Here are Some Latest photos from Some Different Exhibitions!

Besides, We Exhibit and Visit Other Digital Inkjet Printer Trade Fairs Each Year in Order to Acquire the Updating Marketing Information. By This Way, We can Always Offer You the Appropriate Products!

Testimonials

How to Make An Order

Our Service

WE ARE NOT ONLY A DIGITAL INKJET PRINTER MANUFACTORY!!!

- 1) Customized Service: We Can Provide Customized Production and Packing for You!
- 2) Print Service: We Also Provide FREE Printing Samples for You!
- 3) Training Service: We Provide FREE Training for Our Clients! Even can Send Engineer to Oversea Local Customer!

LOCAL CUSTOMER TRAINING

- 4) Guarantee Service: We Provide Lifetime Warranty for All MT Industry Machine Models!
- 5) Solution Service: The Most Important We Have Digital Printing Solution Ability! We Have Provided Many Digital Inkjet Printing Solutions for Over 30 Clients Per Year! Some of Them are Very Famous Printing Company! (UV printing solution and textile printing solution)

FAQ

FREQUENTLY ASKED QUESTIONS
 Q: I don't know your website well, how can I trust you?
 A: MT Digital Industrial Co., Ltd. (www.MTUtech.com & www.MTjet.cn) has launched online business for selling Eco Solvent Printer Solvent Printer, UV Printer, Digital Textile Printer almost 10 years and established customers over 168 countries and areas. We are the Gold Supplier of Alibaba almost 10 years, and the verified user of PayPal as well as approved by SGS certification.

Q: How to pay? Can I use credit card?
 A: You may use the following methods of payment: Ali Trade Assurance, PayPal online payment, PayPal direct payment, credit card through PayPal gateway, some areas may be restricted) bank transfer, and Telegraphic Transfer (T/T) payment.

Q: How can I know if it is paid successfully?
 A: We will send you a payment confirmation email upon receiving your payment.

Q: How long can I receive the items?
 A: Normally speaking, we will spend 1 or 2 days to prepare the order and if it requires longer time, we will inform you as soon as possible. The general shipping time will be 3 to 7 days by air cargo. Therefore, under normal situation, you will receive the items in 4 to 9 days by air.

Q: How to receive my order? Is it safe during shipping?
 A: For the items you purchased, we will arrange shipping by sea or international express delivery to ship and usually the carriers are DHL, FedEx, TNT, and UPS. It shall be quite safe during shipping by sea or air. Additionally, we will purchase insurance as a guarantee for your order.

Q: How to obtain the tracking number of shipment? And how to contact the carrier (express delivery company)?
 A: We will send you the Bill of Lading or tracking number after shipping your items, hereby please keep on checking your email.

Q: What is Warranty Policy?
 A: We provide 1-year warranty for our Eco Solvent Printer, Solvent Printer, UV Printer, and Digital Textile Printer. During the 1-year warranty if any part is faulty, our company will give you replacing parts for free and help you to change the faulty parts. When the warranty expired, our company will still give you technician support for free. The only difference is the replacing part no longer free. So, we provide lifelong after sale service to you as long as you use our printer. However, you can gain the lifelong Warranty for your large format digital inkjet printer with continuously ink order. All products on our website are made by the best manufacturers in China and the quality is guaranteed by the China Ink-jet Printing Association. Although low cost products are the most popular, but our products are selected with high quality and high production standards and affordable price. We can supply assembly spare parts with every Digital Inkjet Printer and guarantee their functioning for at least 12 months.

Q: If I still have questions to this product, what shall I do?
